

Mission Statement

The Ohio Digital Learning School (ODLS) will deliver high-quality individualized academic and holistic supports to its students between the ages of 16 and 21 who have fallen behind in expected high school credits, have had gaps in completing high school, or need an education alternative due to crises that significantly interfere with academic progress for a variety of reasons. As a Dropout Prevention and Recovery school, the ODLS will provide career path planning, including an Individual Career Plan for each student, and career path curriculum resulting in a high school diploma and preparation for future success in college and life.
