

College Credit Plus Model Pathways

What is a model pathway?

A model pathway is a cohesive set of courses that a student can take to meet some or all of the requirements of a particular degree or certification at a college. Many colleges have several CCP Pathways available that outline some of the most common college courses that fit directly into specific degree programs. While these recommended pathways are available, other course options do exist. Students should speak with their school counselor to discuss course options.

Sample 15-Hour Pathway

College Writing I

College Algebra

The Art of Theater

Principals of Physics

Introduction to Sociology

Sample 30-Hour Pathway

(Includes 15-Hour Pathway above)

American Literature

Business Calculus
